16 The parties jointly request that, subject to the Court's approval, the status conference  
17 presently set for September 29, 2010 be continued to October 27, 2010 at 2:30pm.

18 Defendant Efrain Dealba is charged with violating the conditions of his supervised  
19 release. When he last appeared before the Court on August 25, 2010, the parties informed the  
20 Court that they were negotiating a resolution of the case and hoped to have it resolved by now.  
21 Unfortunately, the parties have yet to finalize the agreement, but are hopeful that they will be  
22 able to do so if given a continuance.
